

Lead-in-Water Annual Notification

School year 2025-2026

Minnesota Statute 121A.335 requires public school buildings serving pre-kindergarten through grade 12 to test for lead in water every 5 years. Hendricks Public Schools has historically conducted and continues to conduct Lead in Drinking Water testing per the Minnesota Department of Health guidelines.

For more information on the Hendricks lead reduction program and testing results, please contact the District Office at 507-275-3115.
